Government relations – agency of record

Introduction

The [Canadian Urban Transit Association](#) (CUTA) is the collective and influential voice of the public transit industry in Canada. Our membership includes Canadian transit systems, private transportation operators, manufacturers and suppliers, technology providers, engineering and project consultants, government agencies and academic institutions focused on transit and urban planning. CUTA advocates for policies to make public transportation more accessible, frequent and reliable. This unlocks the economic, environmental and social benefits of transit. Our organization is uniquely placed to work with all levels of government and stakeholders to promote the transit industry and provide insights on top mobility issues affecting Canadians and their communities.

Purpose and Scope

As a national trade association, CUTA has traditionally focused its advocacy on the federal government. However, our association recently became active in provincial advocacy. CUTA has teamed up with the Ontario Public Transit Association (OPTA) and CUTA members to conduct effective government outreach in Alberta, BC and Ontario, as well as a lobby day in Ontario. We remain open to opportunities in other provinces and territories (PTs) to lobby on behalf of our industry and its interests.

It is critically important that the transit industry remains a priority for all orders of government in Canada. The industry has a strong track record and a compelling story to tell when it comes to the economic, environmental and social benefits that transit provides to Canadian communities from coast to coast. With the focus on emissions reduction, housing, affordability and social equity, the transit industry finds itself in a unique position to shape policymaking across a number of core areas.

With this request for proposal (RFP), CUTA looks to identify an agency of record for government relations services at the federal and provincial levels. Preference will be shown for agencies with a pan-Canadian presence, bilingual support and access to polling in the event that CUTA decides to take on a national, provincial or regional survey.

Budget

CUTA has a monthly budget of \$7,000 CAD, excluding applicable taxes, for an agency of record to be on retainer for this mandate.

Respondents are encouraged to submit their most competitive offers in response to this RFP.

Submission information

Submissions shall include the following:

1. **General information** – Relevant information on the agency or agency consortium, including affiliations, Canadian office network, relevant awards, etc.
2. **Project team** – Biographies, qualifications and clearly identified responsibilities of each consultant on the mandate.
3. **Organization** – Outline of the organizational structure with a resource allocation table demonstrating the proposed number of hours allocated by each team member to this mandate. This section is particularly important if the respondent is an agency consortium.
4. **Relevant experience** – Examples of project experience on similar mandates of size and scope. Relevant experience should be presented by one to two case studies that are concise and include the following:
 - a. Mandate;
 - b. Strategy;
 - c. Tactics;
 - d. Results;
 - e. Creative approach; and
 - f. Key Learnings.

5. **References** – Two (2) client references for past mandates of similar size and scope. References must include company name, contact name (position), telephone number and email address.
6. **Language of response** – CUTA accepts submissions in both official languages.

Conditions

CUTA reserves the right to terminate this mandate with written notice of thirty (30) days for any reason. CUTA reserves the right to call in alternate services if the winning agency is unable to provide the services, as requested.

The proponent shall indemnify CUTA from and against all liens, damages, losses, claims, demand payments, suits, actions, recoveries and judgments of every nature and description brought against the proponent and/or CUTA by reasons of any act or omission of the said proponent, agents, or employees in the execution of, or as a result of the work or in the guarding of it. All permits and fees applicable shall be acquired and paid by the proponent.

Should any work or materials be required which are not detailed in the specifications, either directly or indirectly, but which are nevertheless necessary for the proper carrying out of the intent hereof, the proponent is to understand the same to be implied and required, and shall perform all such work as fully as if they were particularly delineated or described.

Costs associated with the preparation of the proposal are the sole responsibility of the proponent and CUTA shall neither bear nor incur liability for such costs.

Proposals received after the due date will not be accepted. Proposals are considered received upon reaching our offices (virtually – electronic copy by email). CUTA assumes no liability for difficulties experienced in transmission. Electronic submissions will receive acknowledgments via email.

At its discretion, CUTA reserves the sole right to discuss or clarify elements of all proposals in order to satisfy itself as to their intent.
